I'm trying to square some logistics for the Tues 2/7 Centralia mtg. 4 of us from DEQ (Matt, Jenn P, Mike P, & me) will attend & we're planning on just taking a car up there. **Jeremy**, if you want to come with us, let me know ASAP & I'll reserve a van so you can join us.

Chip & Eric, Jean said she needed a ride from Centralia back to Portland. If Jeremy comes, we'll have a van & we can give her a ride, but if Jeremy doesn't come, we'll have a car..., so, in that case, could you take her to PDX?
